

**NOTES OF THE ROTARY CLUB OF ROYAL HUA HIN (RCRHH) Club Assembly:
Tuesday 29th January 2019**

Time: 12:00 to 14:00 hrs

Location: Mosaic Room, Amari Spa & Resort

Attendance:

Members: 22

Guests: need to cross check

- Freddy Lienhard - RC Zurich West Switzerland
- Michael Rutzen - Germany
- Dietmar Steudten - Germany
- Frank Anderson - RC Kalamalka Lake Canada
- Christian - RC Esberg Jerne Denmark

President Brian Anderson opened the meeting with the Thai National Anthem and acting SAA Paul Grab introduced the guests as above.

President Brian Anderson exchanged club banners with Rotarian Christian of RC Esberg Jerne in Denmark.

President Brian welcomed both members and guests to the second of the Club Assembly's for Rotary Year 2018/19. President Brian informed the club assembly that many Rotary Clubs only allow members to the Club Assembly; however RCRHH welcomes guests as well to encourage potential new members and demonstrate the projects and community activities the RCRHH members are involved with.

President Brian Anderson called upon Treasurer Peter Wydler to speak about the Rotary Club Accounts for the 2018/19 financial year.

Treasure Peter informed the club assembly that the current RCRHH reserves currently amount to:

Education fund	THB 723,755
Projects fund	THB 1,438,203
Administration Reserve	THB 78,992

Surplus Income running year THB 763,621

Total Liabilities/Reserves THB 3,004,571

President Brian called upon President Elect Napa to talk about the projects RCRHH has been involved in for 2018 and 2019. President Elect Napa showed an excellent power point presentation with pictures to the club assembly of the projects the RCRHH had been involved with in 2018 and future projects planned for 2019 and beyond.

- Nerve Stimulator Hua Hin Hospital
- Beach Cleaning Stamford University
- Thoracic Society Tuberculosis Screening joint project with RCHH
- World Cleanup day Sai Noi Beach
- Brain Based Learning Nongkhon School playground, Monkey Library and swimming pool improvements
- All for one and One for all Stamford University
- Flexible Fiber Optic Bronchoscope for Hua Hin Hospital joint project with RCHH
- Children's Day Bicycle donation RCHH

Future Projects include:

- Computers for Hua Hin Hospital
- Environmental Preservation concept, plastic waste reduction for children
- Rotary Learning Centre Nongkhon School.

President Brian called on Rtn Keith Humphreys to talk about current education projects being undertaken at Panyanakul School for children with mental and physical disabilities.

Rtn Benjamas Uamasard, the club director of Youth, updated the club on activities of the Rotaract Club of Stamford International University and the Rotaract Club of Webster University.

There being no other business President Brian called for lunch.
